

180th CONGRESS
1st SESSION

H. J. RES. 3 AS AMENDED

To repeal AP Joint Res. 2020
(Appropriations Proceedings Joint Resolution of 2020)

IN THE HOUSE OF REPRESENTATIVES
August 16, 2024

Mr. HOFFMAN (for himself, Mr. SULLIVAN) introduced the following resolution

JOINT RESOLUTION

To repeal the AP Joint Res 2020, which created the Joint Budget committee in both chambers, but has received little results and mediocre activity within the last few congresses

WHEREAS, With no suitable activity the Joint Budget committee has failed on its work to create and formulate a budget with the agreement of both political parties.

WHEREAS, With little to no activity since the 165th congress, the Joint Budget committee only stands as a testament to failed attempted bipartisanship, and has largely been a failure both sides seem to ignore.

*Resolved by the Senate and House of Representatives
of the United States of America in Congress assembled,*

SECTION 1. REPEALING THE JOINT BUDGET COMMITTEE

- (1) [The Appropriations Proceedings Joint Resolution of 2020](#) is repealed; and
- (2) [S.J.Res.3. Of the 162th Congress](#), to Amend the Structure of the Joint Budget Committee, is repealed.
