

H.R. 3

To provide a budget for the Federal Government.

IN THE HOUSE OF REPRESENTATIVES

August 20, 2023

Ms. Chan (for herself,) introduced the following bill, on behalf
of the Rosen Administration, as authored by President Rosen;

*Be it enacted by the Senate and House of Representatives of the
United States of America in Congress assembled,*

A BILL

1. SECTION 1. SHORT TITLE

- 1.1. This act may be cited as the “Providing Resources for Operations, Spending, and Public Expenditure Requirements Act” or the “PROSPER Act” for short.

2. SECTION 2. STATEMENT OF APPROPRIATIONS.

- 2.1. The following sums in this Act are appropriated, out of any money in the Treasury not otherwise appropriated, for the fiscal months beginning August 10, 2023, and ending October 10, 2023, referred to in this Act as fiscal months August and September 2023.

3. SECTION 3. AVAILABILITY OF FUNDS.

- 3.1. Each amount designated in this Act by the Congress shall remain available until October 10, 2023, unless otherwise specified, provided that official reception and representation expenses do not exceed 1% of appropriations in the same period.

4. SECTION 5. TRANSFERS OF FUNDS.

- 4.1. None of the funds provided by this Act, provided by previous appropriations Acts that remain available for obligation or expenditure in fiscal months August and September 2023, or provided from any accounts in the Treasury of the United States derived by the collection of fees available to the components funded by this Act, shall be available for obligation or expenditure through a reprogramming of funds that—
- 4.1.1. creates or eliminates a program, project, or activity without the explicit authorization of the Congress, or increases funds for any program, project, or activity for which funds have been denied or restricted by the Congress;
- 4.1.2. contracts out any function or activity presently performed by Federal employees, or any new function or activity proposed to be performed by Federal employees in the President’s budget proposal for fiscal months August and September 2023;
- 4.1.3. augments funding for existing programs, projects, or activities, in excess of \$5,000,000 or 10 percent, whichever is less;
- 4.1.4. reduces funding for any program, project, or activity, or numbers of personnel, by 10 percent or more; or

- 4.1.5. results from any general savings from a reduction in personnel that would result in a change in funding levels for programs, projects, or activities as approved by the Congress.

5. SECTION 6. APPROPRIATE USE OF FUNDS.

- 5.1. None of the funds appropriated by this Act may be used in any way, directly or indirectly, to influence congressional action on any legislation or appropriation matters pending before Congress, other than to communicate to Members of Congress as described in 18 U.S.C. 1913¹. Furthermore, whereas appropriations are such sums as may be necessary, notwithstanding any other provision of law, no amounts made available under such heading shall be made available for transfer to another budget account.

6. SECTION 7. OBLIGATION OF FUNDS.

- 6.1. Amounts appropriated by this Act shall be available for obligation and expenditure not later than two days after the date of enactment of this Act.

7. SECTION 8. COMPLIANCE WITH FEDERAL LAW.

- 7.1. None of the funds made available in this Act may be used for any program, project, or activity, when it is made known to the Federal entity or official to which the funds are made available that the program, project, or activity is not in compliance with any Federal law relating to risk assessment, the protection of private property rights, or unfunded mandates.

8. SECTION 9. CONTINUATION OF APPROPRIATIONS.

- 8.1. Furthermore, such amounts as may be necessary are hereby appropriated, out of any money in the Treasury not otherwise appropriated, and out of applicable revenues, receipts, and funds, for the several departments, agencies, corporations, and other organizational units of Government for fiscal year 2023, and for other purposes *Provided*, That such sums are provided at a rate for operations as provided in this Act for the fiscal months August and September 2023, under the authority and conditions provided, for continuing projects or activities, including the costs of direct loans and loan guarantees, that were conducted in fiscal months of August and September 2023,

41. Section 41. Efficiency Dividend and Innovation Incentives

41.1. Purpose and Intent

- 41.1.1. This section aims to establish a framework for promoting innovation, efficiency, and improved capability within the public service while simultaneously enhancing the budgetary position of the government. By incorporating a reasonable productivity-based "efficiency dividend," this section seeks to incentivize innovation, recognize performance improvements, and foster a culture of continuous enhancement within government agencies.

41.2. Efficiency Dividend Implementation

- 41.2.1. CALCULATION METHODOLOGY— An efficiency dividend shall be calculated based on a portion of the cost savings and productivity gains achieved by government agencies. The calculation methodology shall be standardized across all agencies and shall take into account documented reductions in operational costs, increased efficiency in service delivery, and measurable enhancements in the quality of public services.
- 41.2.2. ALLOCATION AND DISTRIBUTION— The efficiency dividend funds shall be allocated and distributed to government agencies based on their demonstrated performance improvements. Agencies that achieve greater levels of efficiency gains and innovation shall be eligible for a larger share of the efficiency dividend pool.
- 41.2.3. REVIEW AND APPROVAL— The determination of efficiency gains and the allocation of the dividend shall be reviewed and approved by an independent oversight committee composed of experts in economics, public administration, and innovation management, appointed by and under the oversight of the Secretary of the Treasury. This committee shall ensure the integrity and fairness of the efficiency dividend calculation process.

41.3. Incentives for Innovation

- 41.3.1. INNOVATION RECOGNITION— A portion of the efficiency dividend funds shall be reserved to recognize and reward government agencies that demonstrate exceptional innovation in their processes, services, or projects. This recognition may include awards, commendations, or financial incentives.
- 41.3.2. INNOVATION INVESTMENT— A designated portion of the efficiency dividend funds shall be set aside as an "Innovation Fund" to support and finance innovation initiatives proposed by government agencies. Agencies may submit proposals for projects that have the potential to substantially enhance service delivery, streamline processes, or address pressing public needs.
- 41.3.3. INNOVATION OVERSIGHT— The allocation and utilization of the Innovation Fund shall be overseen by an innovation board composed of experts in various fields, including technology, public policy, and entrepreneurship. The board shall evaluate proposed projects based on their potential impact, feasibility,

and alignment with broader government objectives.

41.4. Reporting and Transparency

- 41.4.1. ANNUAL REPORTING— Government agencies shall submit annual reports detailing their efficiency gains, innovation efforts, and the utilization of efficiency dividend funds. These reports shall provide transparency and accountability in demonstrating how productivity improvements have translated into tangible benefits for the public and the government's budgetary position.
- 41.4.2. PUBLIC DISCLOSURE— A summary of the annual reports and a breakdown of the distribution of efficiency dividend funds shall be made publicly accessible through government websites. This transparency shall promote public awareness of the government's efforts to enhance efficiency and innovation.

41.5. Continuous Improvement and Evaluation

- 41.5.1. PERIODIC REVIEW— The efficiency dividend framework and its impact on innovation and government efficiency shall be subject to periodic review by an independent evaluation commission. The commission shall assess the effectiveness of the program, identify areas for improvement, and recommend adjustments as needed.
- 41.5.2. ADJUSTMENTS AND AMENDMENTS— Based on the recommendations of the evaluation commission, Congress shall have the authority to make adjustments or amendments to the efficiency dividend framework to ensure its ongoing relevance and alignment with evolving government priorities.

42. SECTION 42. SEVERABILITY.

- 42.1. Severability. — Should any one or more provision, section, subsection, sentence, clause, phrase, word, application of this Act be deemed invalid or unconstitutional for any reason in a court with relevant jurisdiction, the rest of the Act, and the application of the remaining provisions, shall not be affected.

43. SECTION 43. EFFECTIVE DATE.

This Act shall take effect immediately upon enactment.
