

# S.10

Requiring all “Infant Walkers” to have a warning label on the packaging.

---

## IN THE UNITED STATES SENATE

AUGUST 2nd, 2021

Mr. FRANCIS, (for himself) introduced the following bill to the Senate;

---

## A BILL

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

### SECTION 1. SHORT TITLE

- (a) This Act may be cited as the “Infant Walker Warning Act”.

### SECTION. 2. DEFINITIONS

- (a) For the purposes of this act the following shall mean as defined —
- (i) INFANT WALKER — A device that assists an infant in walking upright; typically having wheels, and standing the secured infant in an upright position.
  - (ii) WARNING LABEL — A label in which contains the following warnings,
    - (1) POSSIBLE DEVELOPMENT IMPEDING,
    - (2) POSSIBLE CAUSE OF DEATH.
  - (iii) CORPORATION — The term “corporation” shall be defined as it is in 15 U.S. Code §44.

### SECTION 3. PROVISIONS

- (a) IN GENERAL — Every infant walker sold in the United States of America shall require a warning label that adheres to “SECTION 2. DEFINITIONS(a)(ii)(1)” and “SECTION 2. DEFINITIONS(a)(ii)(2)” in this act.
- (i) The label shall be bright red in coloration.
  - (ii) The label shall use a drawing of a human skull to convey urgency and possible death.
- (b) Any corporation which manufactures an infant walker without a warning label on its packaging after September 1st, 2023 shall be subject to a civil penalty of no more than \$100 for each manufactured infant walker without a warning label.

### SECTION 4. ENACTMENT

- (a) EFFECTIVE DATE — The provisions of this Act shall come into full force September 1st, 2023.
