1ST SESSION

H.J.Res. 03

Providing for allowing emergency deficit spending in accordance to the 40th Amendment of the United States Constitution

IN THE CONGRESS OF THE UNITED STATES

February 20, 2022

Mr. BERKLEY of Frontier (for himself) introduced the following joint resolution;

A JOINT RESOLUTION

Providing for allowing emergency deficit spending in accordance to the 40th Amendment of the United States Constitution

Whereas, the specification of “specific expenditure” within the 40th Amendment can be theoretically construed to require exact dollar amounts for every dollar spent, within the resolution to declare a state of emergency;

Whereas, on January 24th, 2022, the Bureau of Labor Statistics reported a GDP decrease of 9% and an unemployment rate greater than 9%, heightening national concerns regarding the United States economy;

Whereas, the consequential deflation has corresponded with greater pressures upon state and national unemployment systems, reducing the effectiveness of maintained governmental systems;

Whereas, growing uncertainty has propagated within the populus, regarding the lack of a defined economic recovery package with further decreases in consumer spending;

Whereas, a budget fulfilling the requirements of the 40th Amendment to the United States Constitution has not been passed, further compounding concerns;

Whereas, the Senate has taken actions in continual refusal to pass any economic measures,
yet further compounding the current economic situation;

Whereas, the United States is approaching a sovereign default, with continued economic
downfall occurring at a drastic rate;

Whereas, Congress holds the responsibility to contribute and act accordingly, in the
minimisation of economic damages to the United States: Now, therefore, be it

1 *Resolved by the Senate and House of Representatives of the United States of*
2 *America in Congress assembled (thirteen twentieths of each House concurring*
3 *therein),* That pursuant to Amendment 40, section 2 of the United State
4 Constitution, Congress declares a state of emergency within the United States,
5 due to the cyclical deficit and the current unemployment and GDP figures within
6 the United States. That there are for the purposes of general funding of the
7 government, authorised to be appropriated the following values in excess of the
8 limit as per specifications of section 1 of the 40th Amendment to the United
9 States Constitution. This resolution allows deficit spending to the values
