Section 1. —

The United States Department of Justice will establish a national database to report child abuse and neglect. This will be combined with the current Sex Offender Registry System.

Section 2. — Child Neglect and Abuse will be defined as;

- (a) “Any act or failure to act on the part of a caretaker or parent , which results in death, grave injury, emotional trauma, serious physical or emotional harm, sexual abuse, exploitation, or an act or failure to act which presents an imminent risk of serious harm.”

Section 3. —

The United States Department of Justice shall oversee implementation and will be allocated .10% of the current funds used on child welfare services.

- A. The Department of Justice will share all information to surrounding states in which the most recent allegations and claims of child abuse have occurred.
- B. All states are required to report cases within 30 days of conviction. For Failure to report convictions, federal funding for interstate highways shall decrease by 5%, and for each month of non-compliance following, funding will decrease by 5% until compliance has been achieved, at which time future funding will be restored on the basis allegations have been reported.

Section 4. —

This bill will go into effect January of 2021 to allow for the set-up of this database.

Section 5. —

All laws in conflict with this legislation are hereby declared null and void.
